## **3 Berxi Resources to Help You Get More Out of Your Coverage**

Professional insurance coverage can be essential to your career. Coverage like professional liability insurance or malpractice insurance may help protect your interests should someone file a lawsuit against you due to an error or perceived error on your part.

Berxi is one name in professional insurance striving to meet the needs of their professional customers. They've built a range of plans for professionals across a number of industries. On top of that, they have resources that may help you get more out of your coverage.

You may be researching professional insurance options, or perhaps you're already a customer. Either way, you may be able to take advantage of some of these resources. From the Berxi Blog to Berxi's support, you can take your [dentists malpractice insurance](#), or any professional insurance you may carry, further.

### **The Berxi Blog**

Some blogs are just for show. The Berxi Blog takes things to the next level. If you've ever wanted to learn more about malpractice insurance—or topics related to malpractice issues in your industry—you've come to the right place.

The Berxi Blog is home to articles and posts crafted to give you more insight into topics you may have questions about. Get insight into how Berxi customers may handle licensing board complaints and how their Berxi coverage helped the process.

You can find topics related directly to your profession and where your policy may fit in the grand scheme of things. You can find article categories by industry or by topic for easy access and reading. They say knowledge is power, and the Berxi Blog is a treasure trove of knowledge!

## Berxi's Support Team

Whether you have questions regarding the terms of your policy or you need to handle a claim, Berxi's support team is ready to answer your questions. Because Berxi takes a direct approach to selling policies, they're in the thick of it, so to speak, when it comes to claims related to those policies.

This can mean you're working with insurance specialists who have a greater understanding of your industry and your needs—and the related questions you may have. It can also result in a smoother, more cohesive process overall. Of course, you can also view their FAQs if you have less pressing questions you want to address related to [malpractice insurance nurse practitioner](#) coverage or any coverage you may have (or may be interested in).

## Berxi Perks

Another way to get more out of your relationship with Berxi comes in the form of Berxi Perks. Berxi has partnered with a handful of select companies to offer products or services that may enrich you personally or offer value to your small business.

For instance, Berxi Perks may connect you with resources that may boost your nursing career. These are resources that may complement or synergize with your career, much like [malpractice insurance for RN](#) or other nursing professionals.

Berxi Perks can include discounts for select partner services or access to other promotional offers. The "perks" can change, so there may be something new to discover in the weeks or months ahead.
