3 ezCater Partners Across the Country That Do Grilled Cheese Well

Whether you prefer your grilled cheese sandwiches on whole wheat or sourdough, decked out with jam and apples, or dunked in tomato soup, one thing is for sure: you really cannot go wrong with toasted bread and gooey cheese.

This April 12, help your workplace celebrate National Grilled Cheese Sandwich Day by ordering everyone's favorite toasted sandwich with ezCater. To do this classic meal justice, don't settle for just any sandwich! For everything from no-nonsense sandwiches to decadent grilled cheeses, check out these three ezCater partners that just *get* grilled cheese.

Keep It Classic

What do the wheel and grilled cheese sandwiches have in common? Neither needs reinventing. Sometimes, nothing beats crispy bread, melted cheese, and tomato soup. This April 12, keep it simple by sticking to a good old-fashioned soup and sandwich combination. The best part about keeping things simple is that finding what you are looking for is easier. Just about any corporate [sandwich catering](#) option from Los Angeles to New York City can make a mean grilled cheese sandwich.

Choose to source your workplace's celebratory meal from a nationwide ezCater partner like Panera, or filter your ezCater search to find a local restaurant. Your office will love the simple familiarity of toasted cheese sandwiches and hearty tomato soup, and sharing a nostalgic meal can be a great team bonding opportunity!

Shake Things Up

If you and your team are feeling adventurous, why not put a spin on this classic American comfort food?

Here are a few ingredients to dress up your grilled cheese:

- Apple slices
- Jam
- Deli meat
- Mac and cheese
- Honey
- Bacon

Browse ezCater's options to find a restaurant that can help you get creative with your sandwiches. American Grilled Cheese, an ezCater partner known for their elaborate grilled cheese options, has locations nationwide, making this restaurant ideal for [catering Wilmington NC](#) workplaces to catering offices in Tukwila WA. Get your seafood fix with their iconic "lobster mac grilled cheese" or ponder an old riddle with their "dilemma" grilled cheese containing a chicken breast *and* a fried egg!

Find Something for Everyone

When crafting the perfect gooey, delicious grilled cheese sandwich, picking just one bread, cheese, and topping combination can be tough. Luckily, when you use ezCater to quickly find a restaurant that offers mini sandwich platters, you and your coworkers can sample to your heart's delight.

If you are in the Oklahoma City area, you may already be familiar with Tom and Chee, one of the grilled cheese game's most iconic [catering OKC](#) options. With their melt sandwich platter that serves a variety of mini melt sandwiches, *including* vegetarian options, your workplace will be able to celebrate this incredible holiday in style. While this ezCater partner is known for their delicious sandwiches, they *also* know how to ensure everyone gets their daily dose of vegetables. Try their Garden Grilled Cheese Salad to mix in a little greenery or their tomato soup to include coworkers who are abstaining from National Grilled Cheese Day festivities.
