

### 3 ezCater Partners That Take Barbecue as Seriously as You!

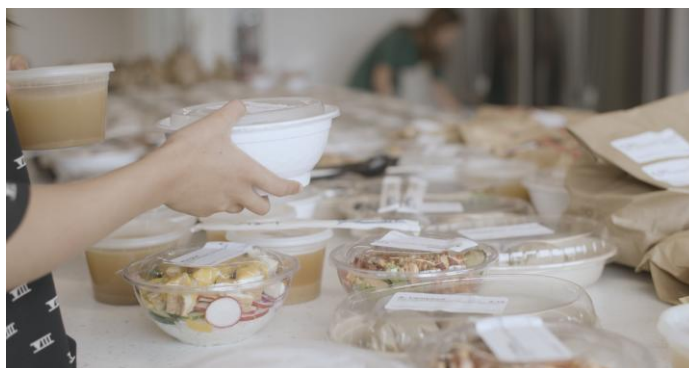

### 3 ezCater Partners That Take Barbecue as Seriously as You!

---

It's National Barbecue Month, and ezCater is ready to help your office celebrate in style! ezCater is partnered with over 100,000 restaurants and caterers across the country. Among those 100,000+ caterers, you'll find those who are wholly devoted to barbecue. Whether you're looking for a complete barbecue buffet or you just want to order some barbecue [sandwich catering](#) for lunch, here are three ezCater partners who might take barbecue as seriously as you!

#### **Billy Sims BBQ in Oklahoma City OK**

Billy Sims BBQ in Oklahoma City has earned a reputation as a legit ezCater Reliability Rockstar. They're highly rated by those who have ordered from them in the past, and they're known for being 100% on time with their delivery orders. While these details can be important, you probably want to know more about the barbecue.

Whether you're [catering OKC](#) businesses with just a handful of team members or you're a larger company, Billy Sims BBQ's catering packages can take care of your catering needs. For starters, check out the MVP Pack, which includes a choice of four pounds of meat and five sides. Meat options can include smoked chicken, pulled pork, or chopped brisket, to name a few.

Sides can include coleslaw, baked potato salad, Billy's BBQ beans, and mac & cheese. In other words, they've covered the barbecue bases! There are also decadent dessert options like the Banana Wafer Stacker (their take on banana cream pudding) and chocolate mousse. If you're in OKC and you're in charge of ordering, give Billy Sims BBQ a look.

#### **Poor Piggy's BBQ in Wilmington NC**

Meet another ezCater Reliability Rockstar! Poor Piggy's BBQ is a highly-rated barbecue joint with a long list of positive reviews from businesses like yours. It can be a solid option for [catering Wilmington NC](#) workplaces. You can order full catering packages, boxed lunches, separate sides, and desserts.

If you want to go all out, you can order The Spread, which comes with what you and your entire team need to make barbecue sandwiches. You get pork, chicken, buns, and sauces. It even comes with ribs and two sides or desserts! Add some mashed potatoes and baked beans or mac & cheese and banana pudding—it's all about mixing and matching!

### **Gomez BBQ in Indianapolis IN**

If you guessed that Gomez BBQ in Indianapolis was an ezCater Reliability Rockstar, you were right on the money! They're highly rated, and they offer a diverse assortment of menu items. If appetizers like Smoked Gouda & Bacon Potato Bombs or Smoked Deviled Eggs sound up your alley, you'll want to check this place out.

You'll also find catering packages complete with meats (such as pulled pork, smoked meatloaf, chicken wings, and brisket) and sides (like Cajun potato salad, pasta salad, collard greens, and plantains). You'll also find a few buffet options, like their Build-Your-Own Slider Bar or Build-Your-Own Taco Bar. Gomez BBQ can deliver on the barbecue and add a little lunch variety to your office catering!
