## 4 Armitron® Watches for Her This Valentine's Day

---

Searching for that perfect gift for the special person in your life? Sometimes, you start shopping for a gift, and nothing quite clicks. You know you want to get her something meaningful for Valentine's Day or her birthday or just because you want to surprise her for no reason at all. Most of all, you want it to be a gift that stands out.

Let Armitron® be your source of gift-giving inspiration. If you want to give her something special, Armitron® has a versatile selection of analog, digital, and [sport watch](#) options she's sure to love. A watch is the kind of gift that's both meaningful and practical. Here are a few Armitron® watches that make an excellent gift for the special woman in your life.

### **Refinement and Class: The Tilly™**

If she adores the finer things in life, Armitron® has what you're looking for. The Tilly™ is refinement and class, through and through. The small rectangular dial and narrow band are designed to sit delicately on the wrist. Of course, the Tilly™ is more than a feminine design—it's also a showcase of impeccable materials and styling. Discover the Tilly™ with a variety of bands,

including ceramic, lizard leather, and metal. No matter what option you choose, it's ready to make a statement.

### **Always in Motion: The Pulse™**

Is the woman in your life always on the move? For those living the dream and leading an active lifestyle, Armitron® [sport watches for men](#) and women can make the perfect gift. Take the Pulse™, for example. The Pulse™ is a newer addition to the Armitron® sport watch collection. It features a large, exceptionally readable digital display, along with multiple modes to help keep their eyes on the prize. The Pulse™ is available in Blush, Black, and White.

### **Truly Iconic: The Rachel™**

Do you have a special woman in your life you'd call iconic? Why not give her a watch that is just as iconic? The Rachel™ from Armitron® is a watch with timeless style. It features an eye-catching, scalloped bezel around a tasteful dial. The Rachel™ is a [gold watch for women](#) that stands out from the crowd and elegantly completes any look. It's available in Silver, Rose Gold, and Champagne. Plus, it pairs perfectly with the Ross™—a watch for him that shares many of the same design cues!

### **Embrace the Love: Prismatic™**

Who doesn't love a little color in their life? The Armitron® Prismatic™ is defined by color. As the hands move, the dial changes color. It's the kind of watch that can bring you a feeling of joy every time you look at it. And we can all use a little more joy in our daily lives. Give your special someone a bit of joy in the form of a watch. Or maybe you're practicing self-love and you're looking for a gift for yourself. Armitron® watches make the perfect gift for a loved one, and they can be meaningful gifts for yourself, too. This Valentine's Day—or any day you feel like treating yourself—why not embrace self-love?
