4 Ways to Incorporate Emmy's Organics Coconut Cookies Into Seasonal Desserts

The sweetest treats are the desserts you eat on spring and summer days. With Emmy's Organics, you can add texture and flavor to delicious seasonal favorites. The brand offers organic treats for daily snacks and desserts, including organic coconut cookies, brownies, and crunchy coconut treats.

While Emmy's Organics' sweets taste delicious on their own, you can incorporate them into your favorite summer desserts to make the season even sweeter. Put the following ideas to the test, or let them inspire you to take a recipe into your own hands and sweeten it up with Emmy's Organics.

Crumble Some Cookies for Ice Cream Toppings

Ice cream is a classic summer treat. Whether you make it yourself with an ice cream maker or buy a pint at the store, you can enhance the experience with chewy [Chocolate Chip Coconut Cookies](#) from Emmy's Organics. These delicious cookies give ice cream the perfect texture. You can plop a whole cookie on top of a little bowl of ice cream or crumble it into the bowl.

Mix Coconut Cookie Chunks Into Brownie Batter

Emmy's Organics offers brownie and blondie mixes in addition to their variety of cookie flavors, so why not get two summer treats with one mixing spoon? Add chunks of [chocolate coconut cookie](#) to the batter to give your tray of sweet summer squares some extra texture and flavor. With coconut, almond flour, and agave, these chewy and subtly sweet cookies are a fantastic mix-in for a completely gluten free dessert masterpiece.

Make a Coconut Cookie Trail Mix with Coconut Crunch'Ems

Don't stop there! Make a sweet snack with Emmy's Organics' Coconut Crunch'Ems. Emmy's Organics put a delicious twist on coconut chips, turning them into little bite-sized treats you can mix into a snack blend. Add Coconut Crunch'Ems to a container with other favorites, including nuts, chocolate chips, popcorn, and maybe even some of Emmy's Organics' Brownie Snaps. It'll make a sweet snack mix you can bring out at any time of the day.

Layer Organic Cookies in a Sweet Summer Trifle or Parfait

Trifles are a dessert with layers of cake and whipped cream or a pudding-like mixture. Make this season extra sweet by subbing in Emmy's Organics' chewy coconut cookies for the cake layer. You can even use the [dark cacao cookie](#) flavor for a rich chocolate and vanilla treat layered with raspberries or another fruit that pairs well with a deep cocoa flavor.

Summertime inspires us to bring out the desserts that are perfect for sharing with friends and family. Emmy's Organics can help provide the ideal mix-ins for all your family favorites that will put a smile on everyone's face. You can get super creative with Emmy's Organics because these wholesome, gluten free cookies and treats are versatile and inclusive for a variety of dietary restrictions. Nobody needs to miss out on summer snacks and desserts—and with Emmy's Organics, they won't have to.
