7 Summer Events Made for the Floral Print Dresses From Connected Apparel

Summer is full of possibilities. It's a season brimming with lively events and special occasions. From evenings spent enjoying the downtown nightlife to weekend backyard barbecues, there's always something to experience as summer presses on.

It's also the season of the floral print dress! That's right, florals are in this year, and Connected Apparel has plenty of options. They offer floral [faux wrap dresses](#) and many other styles made for just about any summer event. Here are just seven summer events and settings made for a Connected Apparel floral print dress.

Sunday Brunch with Friends

Make reservations at your favorite brunch spot because the Lisa Fuchsia Faux Wrap Dress is made for Sunday mornings out and about. It's black and pink and stunning all over. It's the kind of faux wrap you can accessorize with a fresh mimosa.

Weekend Backyard Barbecues

Connected Apparel is known for their plus, regular, and [petite dresses for work](#). But these sophisticated "weekday" dresses can also offer "weekend" versatility. For example, the Selena Black Floral Sleeveless Knot Dress can be perfect for the office and next weekend's backyard barbecue.

Afternoon at the Vineyard

There's nothing better than a trip to the vineyard, complete with an afternoon in the wine-tasting room. It's a place to sip, chat, and have a delightful time all around. Enjoy a round of

whites in the Daphne Lavender Floral Chiffon Popover Dress. It's light, airy, and evocative of a lovely summer afternoon.

Evening on the Rooftop Bar

Have you been wanting to try the new rooftop bar in town? Get ready with Connected Apparel. They offer fun cocktail dresses with floral flair, like the Carrie Cobalt Asymmetrical Wrap Dress. It's a stunning shade of blue with floral accents perfect for an evening with a good view and good company.

Outdoor Concert Series

Summer is the season of outdoor concerts, theater performances, and live events of all kinds. Be ready for your next concert fun with a flattering new dress like the Stevie Blue Tropical Sheath Dress. It's another one of Connected Apparel's versatile plus, regular, and [petite work dresses](#) that can work for any occasion, including summer concerts.

The Midsummer Wedding

Summer is also wedding season. From May through July, people are walking down the aisle, reciting their vows, and relishing in the company of loved ones. Relish in the moment with Connected Apparel's Lisa 2.0 Navy Floral Faux Wrap Dress. It's wedding elegance and summer chic all wrapped into one stunning dress!

Your Next Getaway!

Connected Apparel's Mila Orange Tropical Print Side-Slit Dress may be the quintessential vacation dress. Get ready for your next getaway in tropical, floral style, all while adding feminine flair to your vacation wardrobe. The Mila is perfect for an evening out at a resort restaurant or strolling the promenade of any cruise ship.
