These might comprise erectile disorder (or impotence) and early ejaculation (PE) in males. [Buy Double X Power online](#) from [rsmenterprises](#) that is a superb medication designed to deal with erectile disorder (or impotence) and early ejaculation (PE) in males. It comprises [Sildenafil Citrate 100 mg](#) and [Dapoxetine 60 mg](#).

[Sildenafil Citrate 100mg](#) is an important ingredient in the medication that works to treat [erectile disorder](#), or ED, in males. It works by increasing the blood flow to the male organ. This helps men gain firm erections during sensual contact with the lady. [Dapoxetine 60 mg](#) works to handle early ejaculation in males. [Double X Power online](#) delays the process of ejaculation and helps men maintain the process of erection for a long duration.

Common sensual problems in males

- [Erectile disorder](#) (or impotence): This illness is caused when the man fails to gain or even maintain an erection during the sensual activity with the lady.
- Early ejaculation (PE): This illness causes men to ejaculate too early during sensual contact with the lady. This illness does not allow a couple to get pleasure from sensual contact.

Causes of [Sensual Dysfunction in Men](#)

Low blood flow

The flow of blood to the male organ reduces due to a lot of factors. These might include ageing, smoking, medications, and health problems. Other factors might include hypertension, diabetes, and obesity. It is also a first sign that you might suffer from a heart attack due to the low flow of

blood to the male organ. [Buy Double X Power best price](#) that is a flawless medication designed to deal with the problems of [erectile disorder](#) (or impotence) and early ejaculation (PE) in males. It includes [Sildenafil Citrate 100 mg and Dapoxetine 60 mg](#).

Neurological conditions

A lot of health conditions can lead to sensual dysfunction. These include spinal cord injury, stroke, penile trauma, diabetes, or prostate surgery, which can cause penile nerve damage.

Medications

A lot of medications can also reduce the level of testosterone in your body.

Performance anxiety and depression

A lot of men even fell depressed due to reducing their sensory functioning due to aging. A lot of men even feel embarrassed to discuss their problems with their doctor. They even lose interest in sensual activities and suffer from low libido.

Male organ trauma

Male organ trauma can even cause fibrous scar tissue that can lead to pain during the process of erection.
