

# Anti-AAV5 (intact particle) Monoclonal antibody

## Antibody Isotype

IgG

## Clone

F56

## Species Reactivity

AAV

## Conjugate

unconjugated

## Target

## Alternative Names

AAV; AAV-5; AAV-5, Intact Particles; Adeno-Associated Virus, Intact Particles; Parvovirinae; Dependovirus; adeno-associated virus; Adeno-Associated Virus (AAV-5), intact particles; Adeno-associated virus type 5
