CCNA TRAINING IN NOIDA

CISCO CERTIFIED NETWORK ASSOCIATE

www.cetpainfotech.com

WHAT IS CCNA?

CCNA stands for Cisco Certified Network Associate. It is a certification program offered by Cisco Systems, the world's leading provider of networking equipment. The CCNA certification validates an individual's knowledge and skills in the installation, configuration, and troubleshooting of routed and switched networks.

WHY GET CCNA CERTIFIED?

There are many benefits to getting CCNA certified. First, it is a highly respected certification in the IT industry. Second, it can help you get a higher paying job. According to PayScale, the average salary for a CCNA certified professional is $75,000 per year. Third, it can help you advance your career in networking.

WHO SHOULD TAKE CCNA TRAINING?

CCNA training is ideal for anyone who wants to learn about networking and get CCNA certified. This includes:

- Students who are interested in a career in IT

- IT professionals who want to advance their careers

- Business owners who want to learn how to manage their own networks
