## How To Keep Curly Wigs Looking Fabulous All Winter Long?

### Wash with a moisturizing shampoo

Anita Wig by Especially Yours®

- Gently detangle your curly wigs like **Anita Wig by Especially Yours®** from the ends.
- Fill a basin with cold water and add a cap full of moisturizing **Wig Shampoo**.
- Swirl the wig in the shampoo solution to remove buildup.
- Rinse the wig under cold water until the water runs clear.
- Pat the wig dry with a towel to remove excess water.
- Place the wig on a **Wig Stand** to dry and retain its shape.

### Conditioning the curly wig

Achieve a radiant glow for your curly wigs by generously applying a specially formulated moisturizing spray-on **Wig Conditioner**, designed to restore shine and enhance the curls effortlessly

### Styling and Maintaining the Curly Wigs

Wig Styling Gel

Printed Satin Sleep Bonnet by Especially Yours®

- Tip no. 1: Enhance and define your wig's natural curls by using an alcohol-free styling product like the **Wig Styling Gel** to prevent dryness in the winter season
- Tip no. 2: When styling wigs with curls, use finger styling to evenly distribute hair products and preserve the wig's beautiful curly texture
- Tip no. 3: To protect and maintain your hairstyle while sleeping, consider using the luxurious **Printed Satin Sleep Bonnet by Especially Yours®**, which ensures your hairdo stays intact and free from tangles and frizz during winter nights

### Air-Drying Curly Wigs

Maintain the fabulous look of your curly wigs throughout winter by air-drying them on a chrome-plated **Wig Drying Stand**, which is also suitable for setting, styling, and storing your wigs due to its collapsible design
