Discover 4 Jeans Styles From Wit & Wisdom That You'll Be Thankful for This Season

Let the kickoff to the holiday season bring good cheer...and a few great pairs of jeans. Whether you're dressing up for festive parties or keeping it casual in crisp weather, Wit & Wisdom's range of refined jeans will be the ones you'll pick every time.

Here are four must-have denim silhouettes featuring contour shaping to add to your denim essentials.

Every Pair Features Contour Shape Technology

Wit & Wisdom uses classic tailoring techniques with modern design details to craft their proprietary Contour Shape Technology jeans. The result is a flawless fit, no matter which style you choose. Stay comfortable in premium stretch denim that moves with you. Enjoy the look of a sculpted rear with a purposefully shaped yoke, and say goodbye to that pesky waist gap with a no-slip, hidden elastic waistband.

1. Stylish in Straight Leg

Meet the Sawyer Mid Rise Straight Leg: An elevated classic with contemporary design elements. Features of [slim straight leg jeans](#) from Wit & Wisdom offer just the right amount of stretchiness for a comfortable, relaxed fit that's perfect for all-day wear. Black, indigo, and

artisanal blue washes are available in the Sawyer silhouette. This style contours your shape and gives you a tailor-made feel. You can expect classic denim details like five-pocket styling, a mid rise waist, and subtle fading and whiskering.

2. Fashion-Forward Wide Leg

For those who love to have the latest in their denim collection, Wit & Wisdom's relaxed wide leg jeans are perfect. The brand's lineup of wide leg styles includes Wyatt, Whitney, Emma, and Sam—each with their own distinct personality. These jeans are fitted through the hip with a skyrise waist and a wide opening through the leg. The Whitney jeans feature tulip hems, while the Emma features center front seams. Check out the full details of each of the four styles available and pick your personality.

3. Chic Boot Cut

A fall fashion favorite? Yes, boot cut jeans just feel right at this time of year! Explore the vast collection of boot cut jeans from Wit & Wisdom. There are subtle differences between each of the boot cut silhouettes available. Whether you like a mid rise or skyrise waist, fray or crisp hems—there's a silhouette to suit your style. Madison, Brittany, and Bennett have distinct design details to explore. You'll also find inclusive sizing, including missy, plus, and [petite jeans](#) with shorter inseams in your favorite boot cut styles.

4. Slim-Fit Skinny

With Contour Shape Technology, you don't have to worry about your [mid rise skinny jeans](#) being too tight. Wit & Wisdom's skinny jeans offer a slim fit through the leg and a cropped hem. The tailor-made fit and stretch denim construction make these the skinny jeans you'll want to wear often. Check out Sophie, Logan, and Charlotte, available in light blue to indigo and black denim.
