

Experience the Magic of the Perfumed Crème from House of EM5

Experience the Magic of the Perfumed Crème from House of EM5

Are you looking for the goodness of moisturizer with your favorite fragrance? In this situation, a [perfumed body cream](#) can be your perfect option. House of EM5 has been offering such a combination for those who love both moisturizers and perfumes. The perfumed moisturizing cream that they provide is highly luxurious and would make your skin feel nourished and fragrant at the same time. It absorbs very finely and also has a non-greasy formula. Let's find out more about it.

Can this product be used on any skin type?

Yes, the perfumed moisturizing cream from House of EM5 is suitable for all skin types. So, whether you have dry, sensitive, normal, or oily skin, you can enjoy this cream without any issues.

Are all the fragrances in a set the same?

All the fragrances included in one set of the perfumed creme will be different from each other. So, they will be quite useful for all your different moods and occasions. You can check out the unique scent of every House of EM5 perfumed cream and decide when you would enjoy using it.

How is the product packaging?

The House of EM5 [perfumed moisturiser](#) is provided in spill-free tins. These tins contain hand-poured cream, which makes them unique. The packaging is quite luxurious and is also practical. So, you can gift it to others and can also use it when you are traveling.

Can the product be used by individuals with sensitivities?

Yes, the product does not contain any silicones and parabens. So, the House of EM5 perfumed cream is a great choice for people with sensitive skin. It has a non-oily and non-greasy texture, which makes it a perfect choice for even those who have sensitive skin.

How to apply the perfumed moisturizing cream?

To apply the House of EM5 perfumed cream, just take a small amount of it on your fingertips and massage it on your skin. You can do it in a circular motion. This way, the cream will melt into your skin and your skin will feel silky and fragrant for a long time. The overall application process would be quite soothing for you. It will last for around 4 to 6 hours on your skin.

So, if you are looking for the [best perfumed body cream](#) from House of EM5, just visit their website and find a set that caters to your requirements.
