Fashion with Function: Meet the Different Jean Rises From Democracy Clothing

Democracy Clothing is the women's denim lifestyle brand that knows jeans from top to bottom, inside and out. Why? Because they design and construct bottoms to enhance your shape and celebrate your curves. The brand also knows you want flattering jeans that fit properly. From the maker of the jeans that give you a "booty lift" effect, no details are overlooked, including the rise of your jeans. Find out which rises may suit you best.

Putting the "Fun" in Function

Function, in Democracy's terminology, refers to the upper part of the jeans or the area from your waist to your hips. Knowing this helps establish your size in Democracy Clothing's bottoms. Find your preferred rise below and start shopping for the perfect fit for your shape, size, and personal style.

What Is Mid Rise?

- Sits just above your hip
- 9"-9 1/2" rise
- Options include: [girlfriend jean](#) styles, jeggings, straight leg jeans, boot cut styles, and many shorts in a variety of lengths.

What Is High Rise?

- Sits at your natural waist
- 10"-10 1/2" rise

- Options include: stylish [boot jeans women](#) are wearing, wide leg jeans, boyfriend jeans, flare jeans, Bermuda shorts, and many other styles of shorts and skirts.

What Is Skyrise?

How-To: Measure Your Rise

To measure your front rise, you’ll measure from the crotch to the top of the waistband.

1. Lay your pants on a flat, hard surface.
2. Place the measuring tape on its side edge to allow the tape to curve along the seam rise
3. Measure along the front seam—from the crotch point to the top edge of the front waistband.

“Ab”solution® Fit Technology Rises to the Occasion

No matter which rise you choose, each pair of bottoms by Democracy Clothing is constructed with “Ab”solution® fit technology, featuring:

- Strategically placed back pockets and a sweetheart-shaped yoke for a “booty lift” effect
- A “no-gap” hidden elastic waistband to prevent unwanted gaps in the waist and an unflattering fit
- Dart seams above the back pockets for a better, more tailored fit
- Tummy-smoothing mesh panels on the interior
- Super-stretch premium denim
