Finding the Right IMAGE Skincare® Serum for Your Skin

Finding the right [serums for face](#) concerns does not need to be complicated. With IMAGE Skincare®, you can find the right serums for your skin, whether you have dry skin or want to address anti aging. With a wide range of serums available, you can find one that will help address any concerns you may have and help your skin look and feel its best.

Anti Aging Serum

If the appearance of fine lines and wrinkles is your concern, the VITAL C hydrating anti aging serum might be your best choice. Multiple forms of vitamin C help to brighten your skin while fighting signs of environmental damage and dullness. Hyaluronic acid helps lock in hydration, naturally plumping your skin and smoothing the appearance of fine lines and wrinkles. It's ideal for all skin types.

Hydrating Serum

Keeping your skin hydrated is a constant battle for those with dry skin. The VITAL C hydrating A C E serum not only offers your skin maximum hydration but also helps brighten your skin. Essential vitamins, amino acids, and green tea extract combine with natural skin brighteners to help you avoid dull-looking skin. Together, you get quenched skin that is radiant and healthy-looking.

Balancing Antioxidant Serum

Bring balance to your skin with the ORMEDIC® balancing [antioxidant serum](#). It starts with restoring nourishment and hydration to dry, delicate, dehydrated skin. Certified organic ingredients, like nutrient-rich grape water, botanical extracts, and soothing aloe vera, help to comfort your skin, bringing it back into balance and evening skin tone with Kakadu plum. The serum helps enhance hydration while improving your skin's moisture barrier, all while delivering daily antioxidant protection against environmental damage.

Brightening Serum

Getting a clear, even skin tone while reducing the appearance of pigmentation and dark spots is easy with the ILUMA intense brightening serum. Brightening botanicals combine with bearberry leaf extract and vitamin C for a soothing formula that helps to fade sun-damaged, sensitive, acne-marked, or redness-prone skin. It helps diminish dullness while brightening skin of all types.

Getting More Help

If you can't decide between these and the other options available, it might be time to make a [Hand and Stone massage and facial spa](#) appointment. With an IMAGE Classic Facial, the esthetician can customize the facial and help you find the perfect serum for you. The facial is tailored to your specific skin needs and uses IMAGE Skincare products to nourish, hydrate, and brighten your complexion. The esthetician can work with you to figure out exactly what concerns you need to address and suggest different serums to help you get your skin looking and feeling its best.
