## Great Reasons to Kick Off Summer with Sleepwear From Katie Kime

---

Let your journey to finding the softest summer sleepwear take you on an exploratory mission to Katie Kime. There, you'll travel down the path of irresistible prints before heading into the rabbit hole to see what else the brand offers to make your summer even more vibrant. But first things first—here are a few reasons to fall in love with pajama sets from Katie Kime.

### Supremely Soft Sleepwear: Embrace Comfort Above All

Pajamas ought to be comfortable and soft against your skin, right? No scratchy materials or constricting fits allowed. Katie Kime's [soft pajamas](#) are constructed with supremely soft modal and cotton, offering a relaxed fit in a timeless silhouette. Pajama sets also feature a soft elastic waist and adjustable ribbon tie to customize your fit.

A pajama shorts set or pants sets may feel so comfortable that you forget you're wearing PJs. For many, this defines the perfect pajamas. On leisurely summer mornings, you can read your book and drink your tea without thinking about anything else.

## **Storied Prints: Tennis Time, the World Is Your Oyster, Retro Stripes**

You can always expect bright, optimistic, and unexpected prints from artistic brand Katie Kime. With the Tennis Time print, you don't have to play the game to enjoy these PJs that offer a fresh take on tennis rackets. You can easily lounge or sleep in these [white pajamas](#) with green rackets for playful summer sophistication.

Another refreshing take on a summer day is the World Is Your Oyster print, which allows you to imagine yourself eating raw oysters and sipping rosé. For a nostalgic feel, you might like the Retro Stripe print, Katie Kime's first stripe pajama set. This chunky pink bubblegum stripe print is fit for sunny summers. ## **The Long and Short Of It: Comfort, Style, and Personalization Go Well Together**

Whether you seek pajama shorts or pants sets (you might need both), you can expect your pajamas to offer the perfect blend of self-expression, fashion, and restful comfort. For a luxe touch of personalization, you can have any set monogrammed, too.

[Monogram pajamas](#) make great gifts for bridesmaids, birthdays, graduations, and many other special occasions. It's also a chic touch for yourself, especially for work-from-home wear. Choose your embroidery color and preferred font to customize the chest pocket on your pajama set. Katie Kime's personalization and prints can help you celebrate the joyful summer days ahead.
