## How to Get Free Seats on Spirit Airlines?

Sometimes you don't want to pay for [Spirit Airlines seat selection](#), which is not strange. Everyone wants to cut their travelling costs. But the question arises, how can you get a seat without paying for it on the airline?

Well, here are the answers for you. Additionally, you can save on seating surcharges, baggage fees, and other multiple fares.

### 1. Delay check-in

When you delay checking in, you help yourself to be exempted from paying for the seat. The airline allocates random seats, without any charge when you are late to checking in. you never know; you might end up getting a window seat!

### 2. Use the Spirit Award Tickets

To save your money on seats, use the award tickets that help you get your preferred seats at no extra cost. Otherwise, seat allocation costs pretty much on the airline.

### 3. Say No to Priority Boarding

You don't need priority boarding if you are not carrying a bag that needs space in the overhead bin. Priority is good only if you want to keep your bags in the overhead bins. This also saves you money.

### 4. Travel Light

Try to pack light when flying with Spirit Airlines. This helps you save a whopping amount on carry-on and checked-in baggage fees. You can fit your backpack easily under the seat in front of you.

## Bonus Tips

The tips mentioned above will be helpful in avoiding paying for seats on the airline. Additionally, here are bonus points for saving more on your Spirit trips -

- **Check-in online**

Spirit Airlines charges an amount if you check in at the gate. So, go for web check-in or through the mobile app to save this amount.

- **Purchase Tickets at the Airport**

Try to buy your tickets at the airport itself. This will help you save the usage fee when booking online or via phone, labelled as a convenience fee. Buying tickets at the airport costs you only the ticket fare, nothing else.

You can reap even more benefits of cost-cutting on travel with Spirit Airlines Vacation Packages. Get flights, hotels, car rentals, etc., all bundled in one.

## **What is Spirit Airlines Seat Selection Policy?**

The airline has devised a smart seat selection policy for the convenience of its passengers. Here are some of the terms and conditions -

- You are allowed a free seat randomly during check-in.
- For a preferred seat, you have to pay \$5.
- You can select your seat online 24 hours before the flight's departure.
