Morning

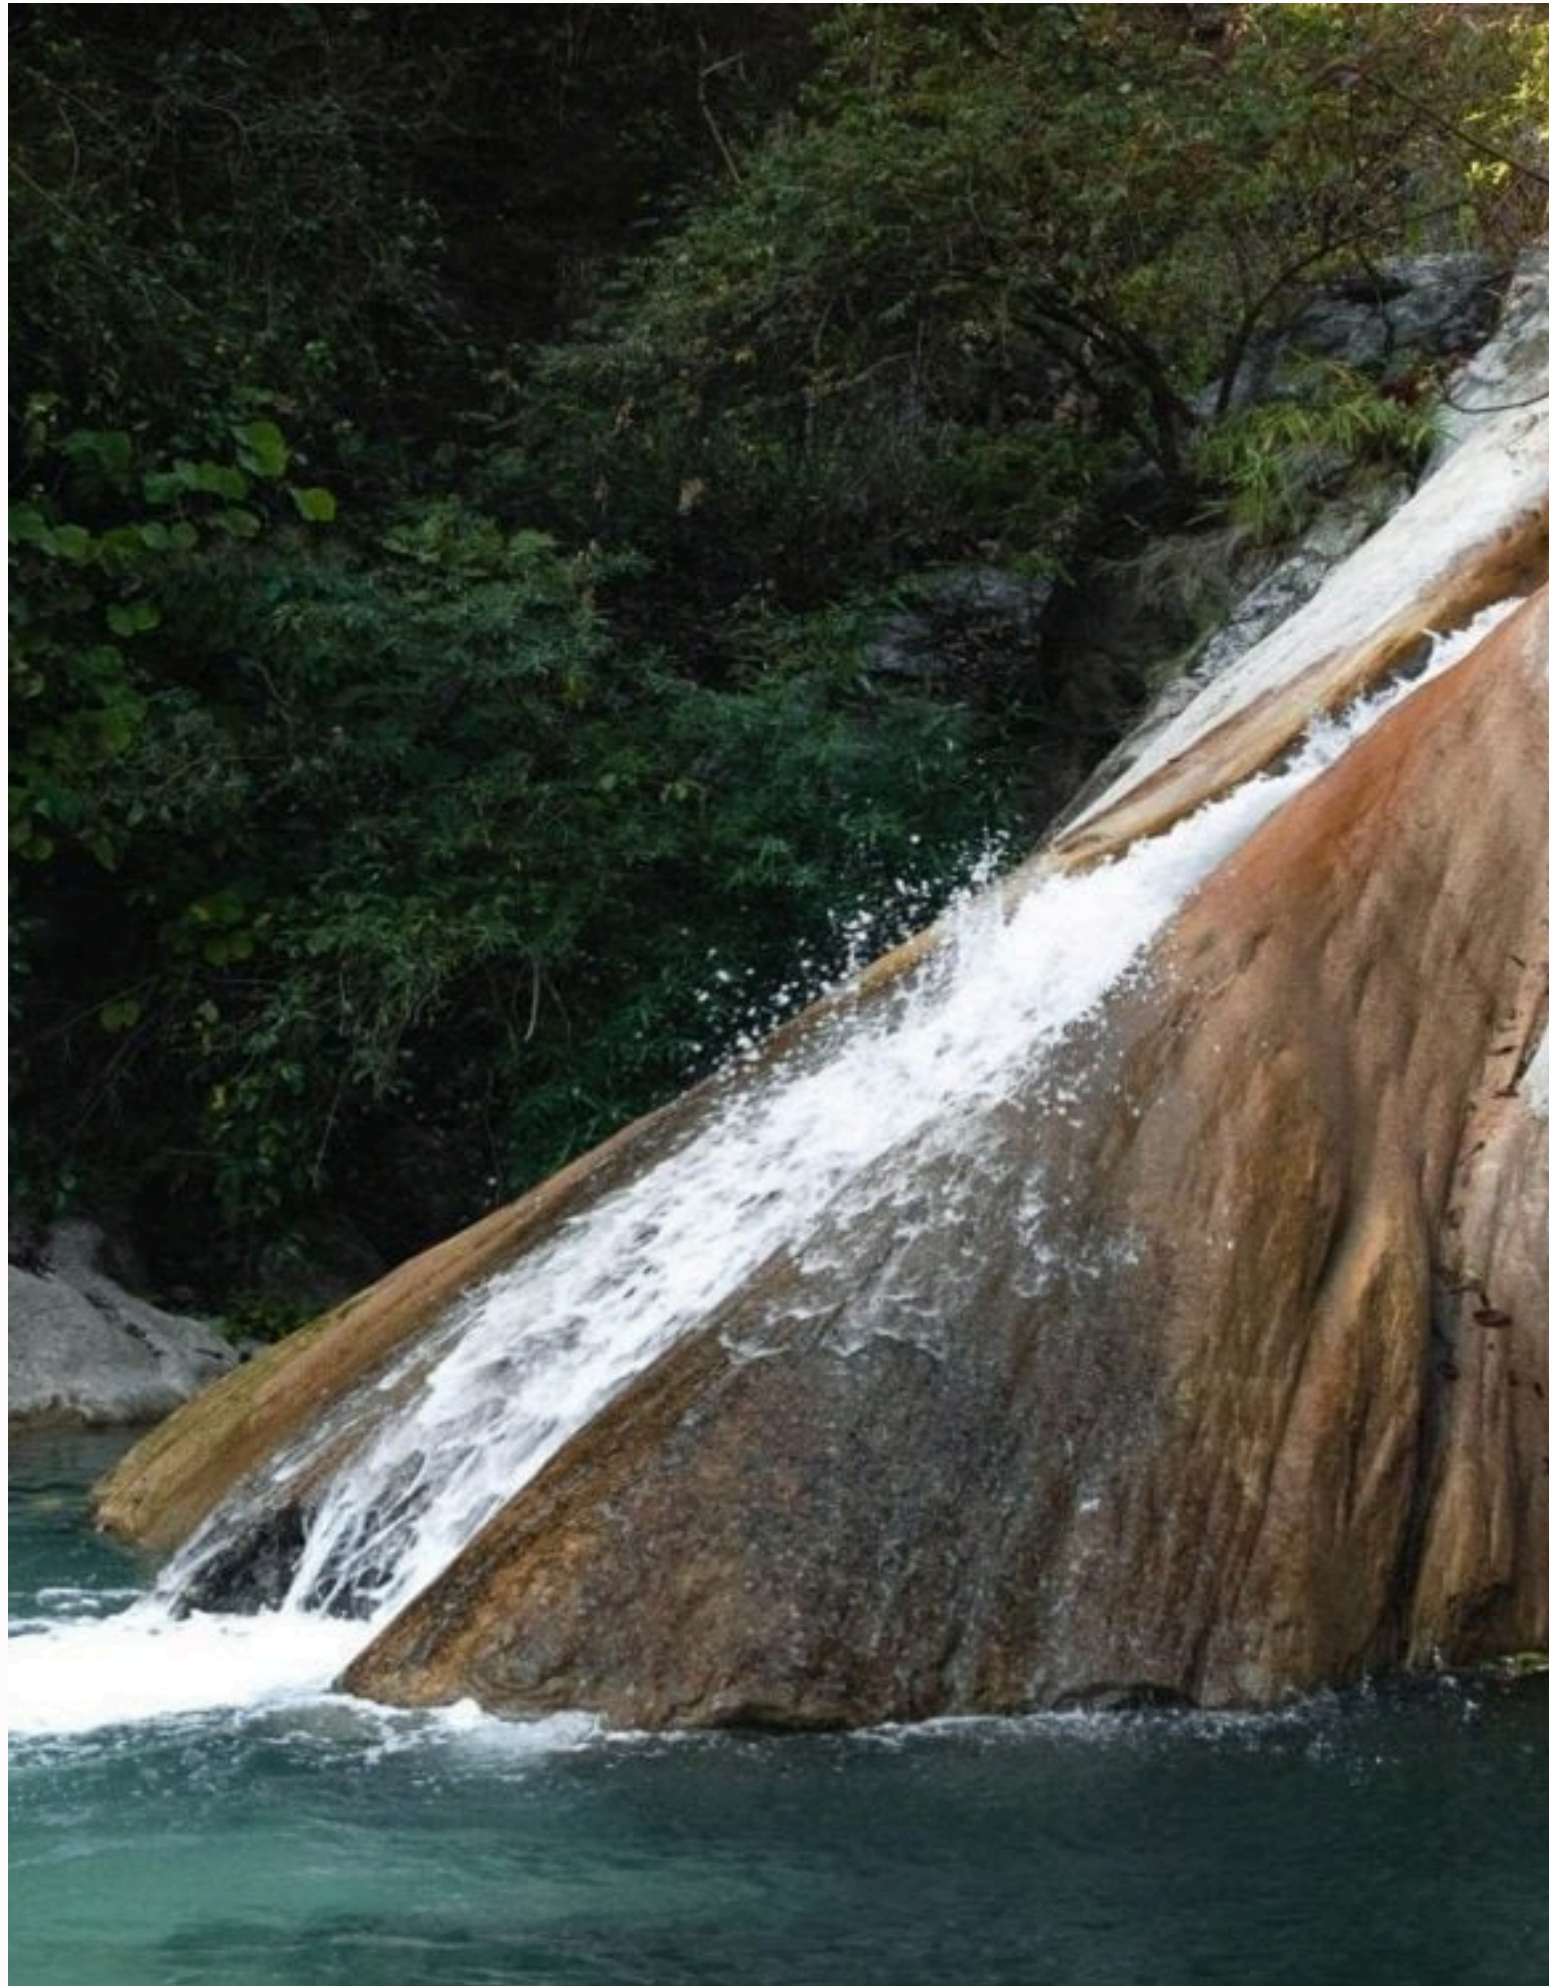

Start your day early, around 6 or 7 AM, to beat the crowds and make the most of your time. Begin with a visit to the Parmarth Niketan Ashram to witness the mesmerizing Ganga Aarti ceremony at sunrise. This spiritual ritual by the banks of the Ganges is a truly a magical experience.

Mid-Morning

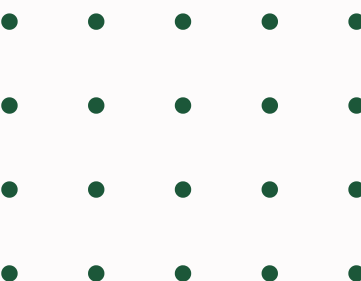

After the Ganga Aarti, head to the Laxman Jhula, an iconic suspension bridge over the Ganges River. Take a stroll across the bridge, enjoying views of the river and surrounding hills. Visit the nearby temples and ashrams, such as the Laxman Temple and Tera Manzil Temple, which are located within walking distance of Laxman Jhula.

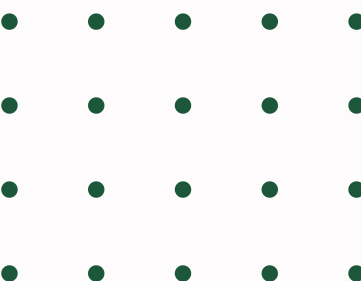

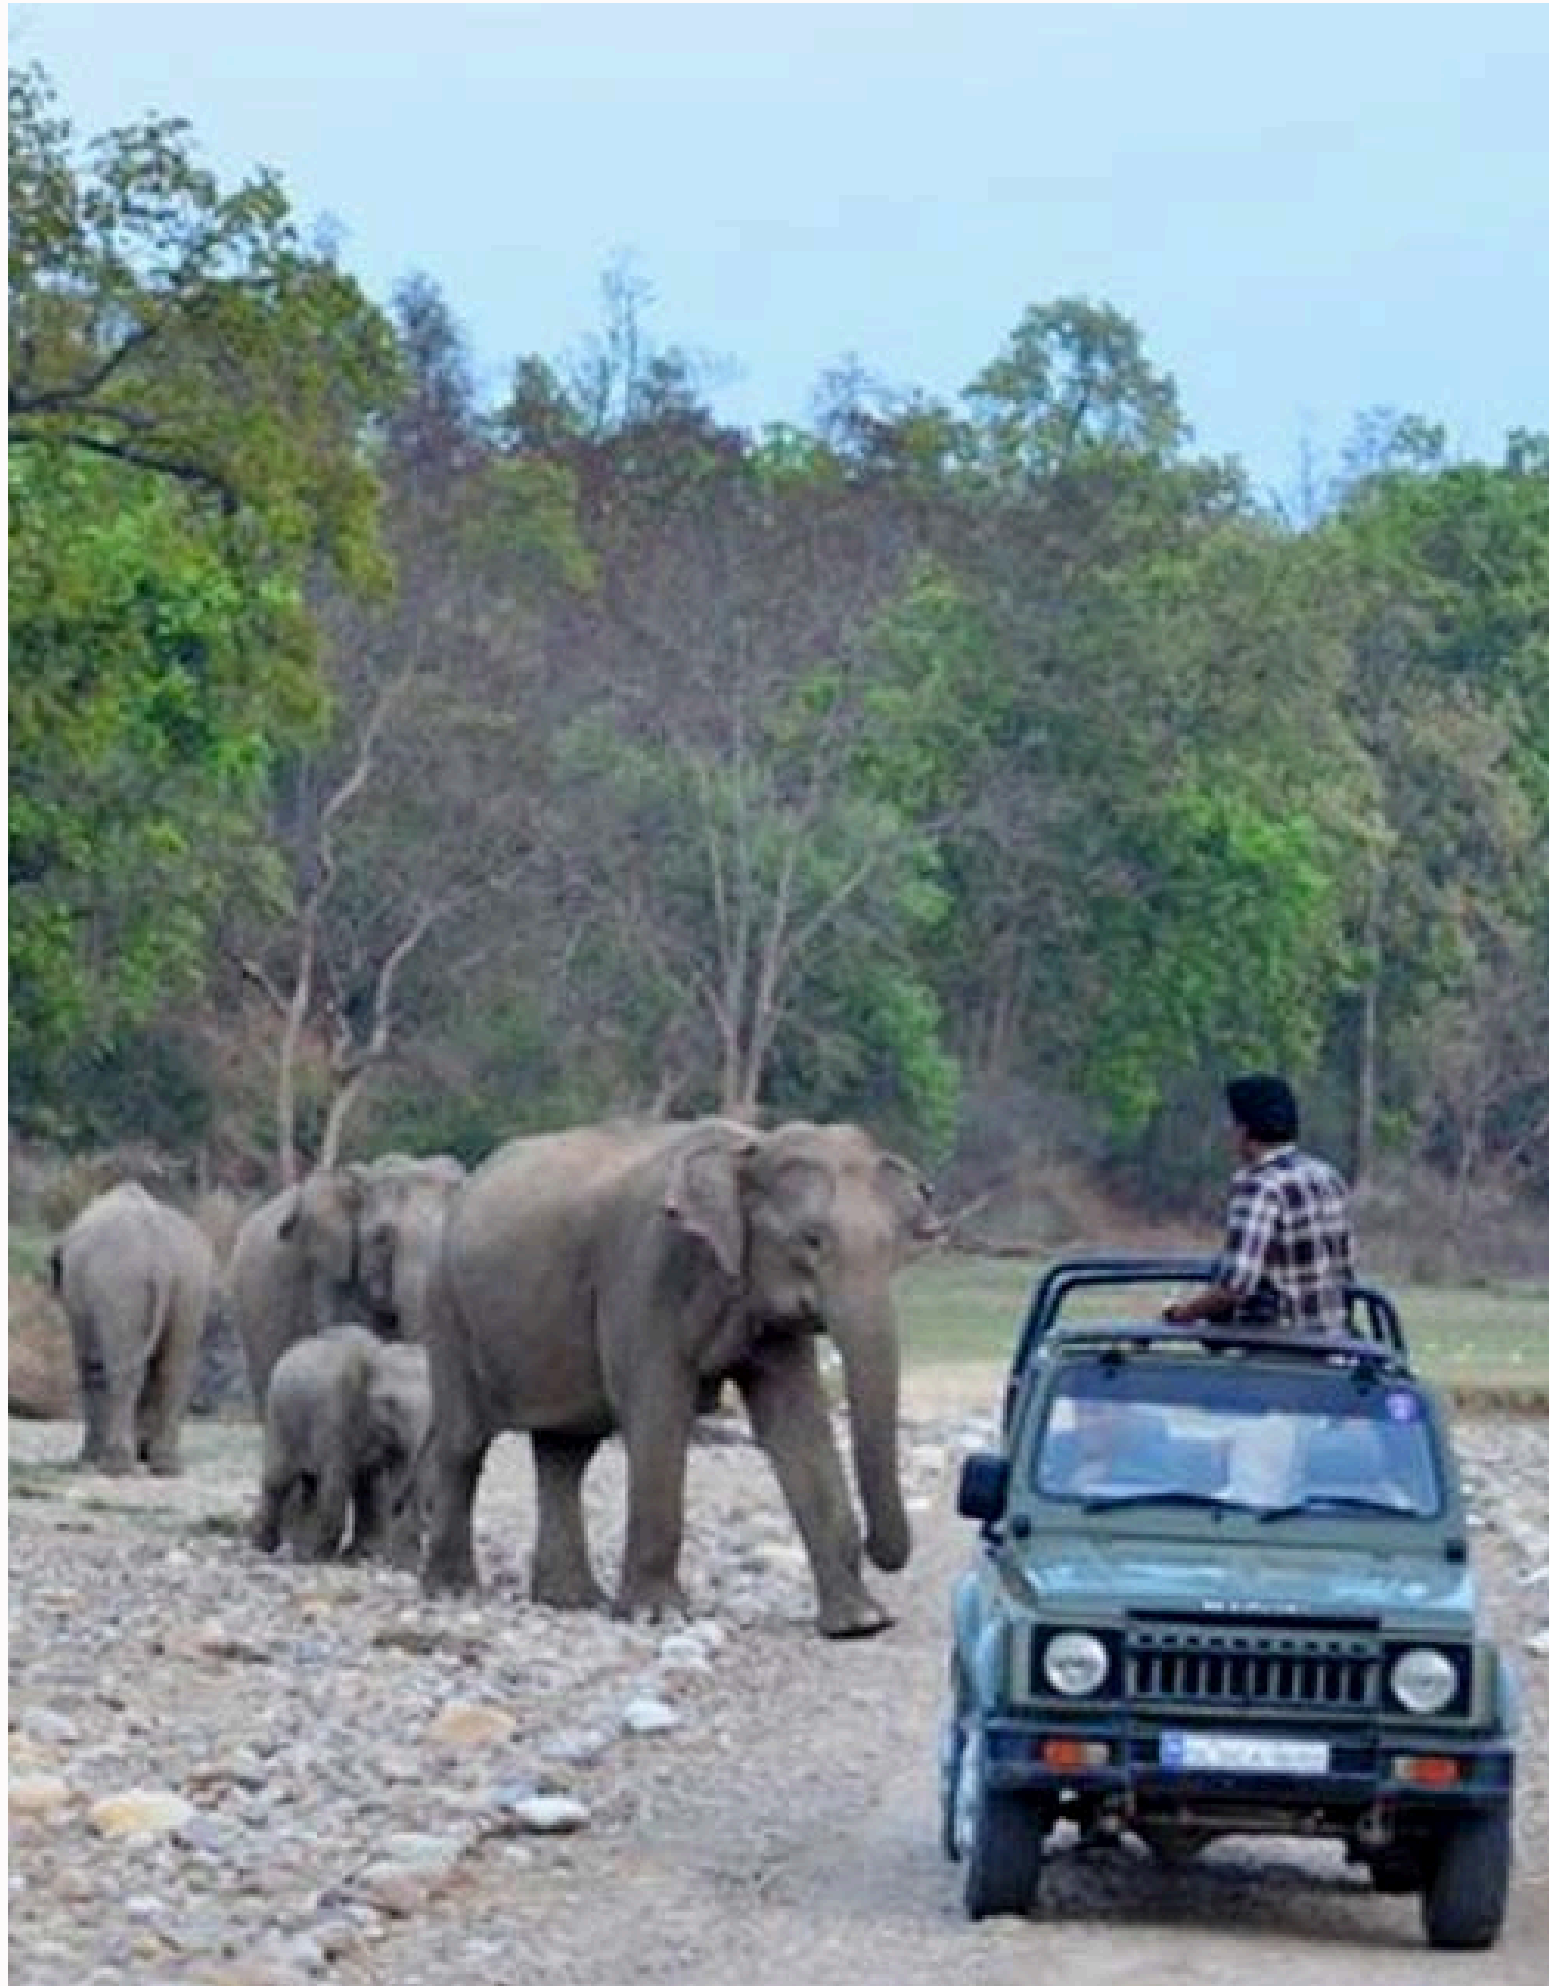

Late Morning to Early Afternoon

Visit the Neer Garh Waterfall, located a short drive from the main town. Enjoy a refreshing dip in the natural pools and relax amidst the serene surroundings. Head back to the town in our Luxury Tempo Traveller for lunch at one of the local cafes or restaurants, where you can savour delicious vegetarian cuisine and enjoy scenic views of the river.

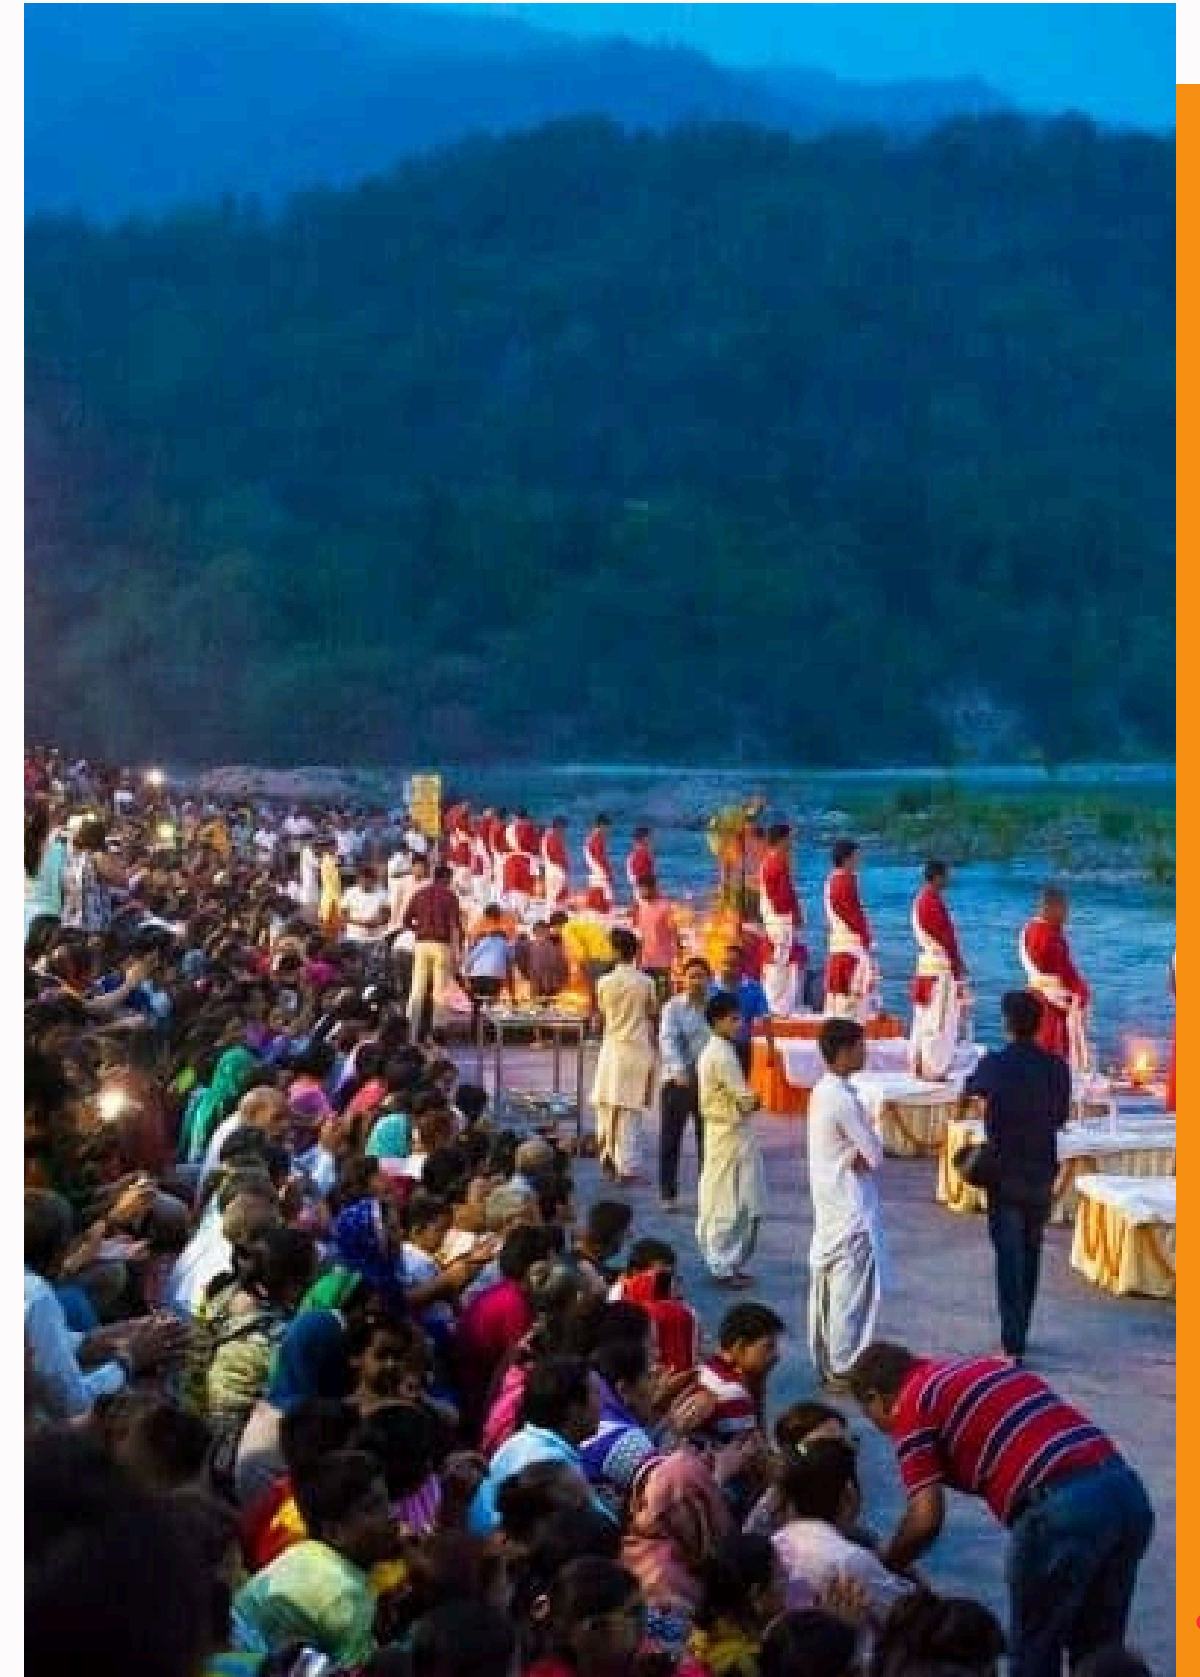

Afternoon

- Post lunch, make your way to the Beatles Ashram. Explore the abandoned ashram and admire the vibrant graffiti art adorning the walls.
- Next, visit the Rajaji National Park, located on the outskirts of Rishikesh. Take a safari ride through the park to spot wildlife such as elephants, tigers, and deer.

Late Afternoon to Evening

- Return to the town and visit the Triveni Ghat, one of the most sacred bathing ghats in Rishikesh. Witness the evening Ganga Aarti ceremony here, which is equally mesmerizing as the morning one.
- Finally, conclude your day with a relaxing evening walk along the banks of the Ganges, soaking in the spiritual atmosphere and scenic beauty of Rishikesh.
