How To Customize Your Synthetic Wigs To Match Your Style?

Choosing Synthetic Wigs

Go for salon-quality options like heat-resistant VersaFiber® or Kanekalon® synthetic fiber wigs, or explore the frizz-resistant WhisperLite® wigs like **Phyll WhisperLite® Short Straight Pixie Wig by Paula Young®**.

Trimming And Styling Synthetic Wigs

Transforming heat-friendly synthetic wigs like **JJ VersaFiber® Wig by Paula Young®** into personalized styles is a breeze with a quick trim and styling session for every occasion.

Adding Layers And Texture To Synthetic Wigs

Isla Mid-Length Straight Bob Wig by Paula Young®

5-Pc. Styling Comb and Brush Set

Elevate your synthetic wig like the **Isla Mid-Length Straight Bob Wig by Paula Young®** with layers and texture. Use styling products like texturizing Wig Hair Spray and the **5-Pc. Styling Comb and Brush Set** for a voluminous natural look.

Accessorizing Synthetic Wigs

Level up your synthetic wig, like the **Bobby Lace Front WhisperLite® Mid-Length Curly Bob Wig by Paula Young®**, with accessories such as headbands, scarves, or hair clips.

Maintaining Synthetic Wigs

Wig Shampoo, Wig Conditioner & Wig Styling Gel

Wig Drying Stand & Wig Static-Free Brush

Maintain the fabulous look of the **Dolce WhisperLite® Wig by Paula Young®** with proper upkeep, including washing with **Wig Shampoo**, conditioning with **Wig Conditioner**, air-drying on a **Wig Drying Stand**, and styling using wig-friendly products like **Wig Static-Free Brush** and **Wig Styling Gel**.
