How to Style Democracy Clothing's On-Trend Jeans with Chic Spring Jackets

Are you searching for a variety of jean silhouettes to fill your closet with figure-flattering fits for every season? Make Democracy Clothing your go-to casual denim lifestyle brand. In addition to their jeans, shorts, and pants, you can browse through their curated selection of jackets to ensure you look stylish on cooler evenings this spring and summer. It's easy to style these jackets with Democracy Clothing's "Ab"solution® jeans, whether you like slim straight jeans, [jeggings jeans](#), or any other style. A Democracy Clothing jacket is an easy way to make a statement with just a few simple tips to make styling them super straightforward.

Try Traditional Slim Straight Jeans and a Bolero

[Slim straight jeans](#) are a classic silhouette. Depending on the rise, they can help elongate the look of your legs and create an elegant outfit. Alternatively, they're great for casual days when you have errands to run or you're preparing for a gathering with friends. A bolero jacket with a hemline that falls near Democracy Clothing's signature "no-gap" waistband will look put-together without being overly formal. You can also choose a bolero in a summery color to brighten up your look.

Wear Fun Frayed Jeans with a Bright Blazer

Are you looking for a silhouette that looks casual and cool? Pick up a bright blazer and pair it with [jeans with frayed hem](#) details. Democracy Clothing offers some frayed hem styles with their exclusive "Ab"solution® fit technology. You can enjoy their figure-flattering jeans with a

fresh, fun aesthetic. A brightly colored blazer will help dress the look up enough to wear to a spring musical or a beachside happy hour with your coworkers while still keeping things playful enough for a coffee shop date.

Style Jegging Jeans with a Utility Jacket

Democracy Clothing's jegging jeans mold and hold your shape and provide the brand's must-have "booty lift" effect. They're an ideal fit for casual days when you're staying at home, but you could also dress them up a bit if you want. You can create a fashionable outfit when you have plans that call for something in between casual and dressy with a utility-style jacket. This outerwear staple is an ideal option when you need an extra layer after the sun goes down at the backyard BBQ or for a night out on the town with your significant other. Your comfortable jegging jeans will balance out the utilitarian style perfectly.

Styling your jeans can be as straightforward as pairing them with a plain white tee and classic sneakers. Or you could craft an outfit with an eye-catching jacket, shoes, and accessories like a belt. Democracy Clothing makes it easy to rock all your favorite looks confidently, thanks to curve-hugging features like tummy-smoothing panels, an inner elastic "no-gap" waistband, and a sweetheart-shaped yoke for a "booty lift" effect. With all these details covered, all you have to do is embrace the comfort and style.
