IIM Udaipur's One Year MBA program in Global Supply Chain Management

IIMU

भारतीय प्रबंध संस्थान उदयपुर
Indian Institute of Management Udaipur

About This Program

IIMU's One-year <u>MBA in Supply Chain Management</u> is a full-time residential program, and admission is through the GMAT/GRE/CAT. The IIM Supply Chain Management program offers a full 12-month program at IIM Udaipur with a focus on Global Supply Chain Management including a live supply chain project starting in Term 2 and ending in Term 3.
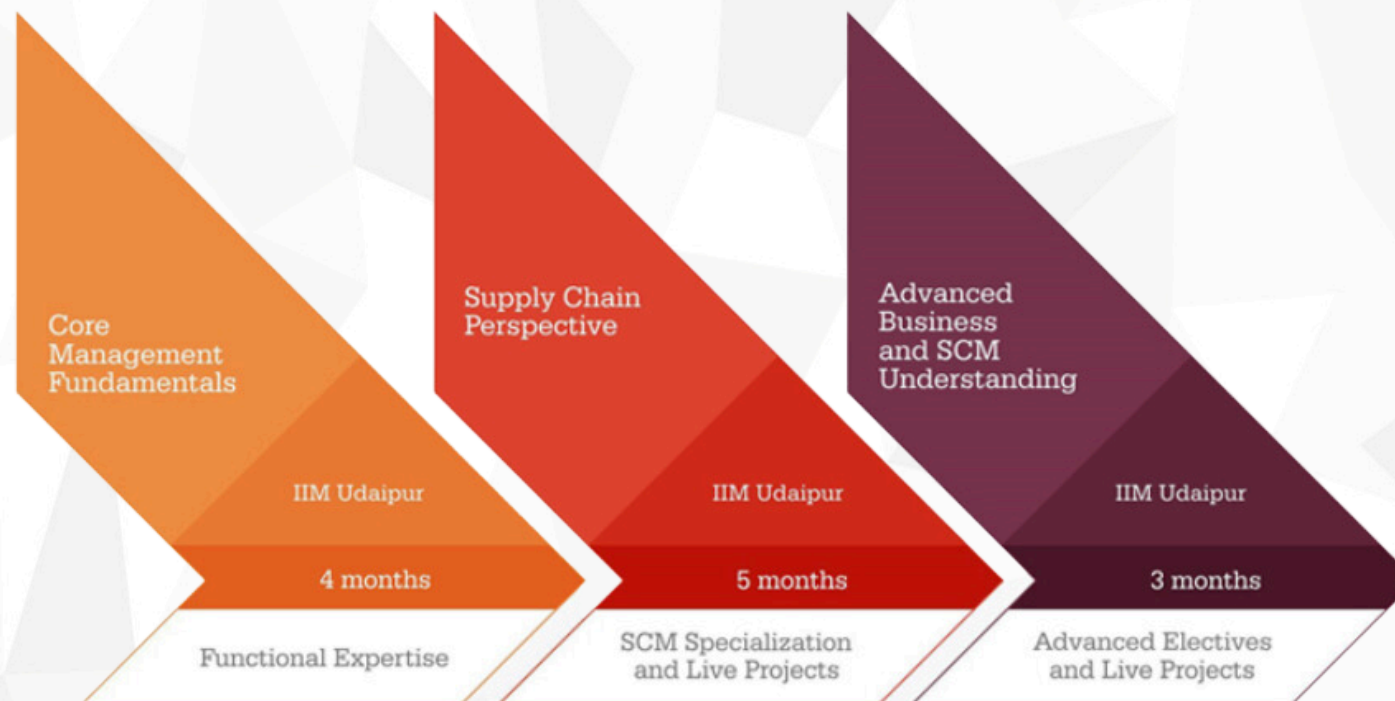

Admission Process

The admission process is completed in the following steps:

Interested candidates fill in the online application form.

Applicants are shortlisted on the basis of the eligibility criteria and called for the second round where they are screened through a personal interview.

An offer of admission is made on the basis of the candidate's demographic profile, academic profile, work experience, score in GMAT/GRE/CAT and personal interview.
