# • ABOUT Regional Research Reports (RRR)

Regional Research Reports solves all the data problems by providing industry analytics data that is easy to understand and reliable. We are a leading provider of custom and exclusive market research reports; we provide state-of-the-art business analysis to clients across multiple sectors.

Our research team is highly qualified to benefit well-established companies and startups with their market research needs. In a world where endless disruption is the norm, not the exception, Regional Research Reports provides the foundation for a strategy to identify opportunities and challenges early and win customers. Since our founding, we have been working closely with large multinationals and small and medium-sized enterprises (SMEs). Today, we are proud to have 80% of our Fortune 2000 customers as our customers.

We provide qualitative and quantitative research spanning market forecasting, market segmentation, competitive analysis, and consumer sentiment analysis. We also provide customized consulting solutions from beginners to successful market entry. To do this, take an interdisciplinary approach to market intelligence, combining new and proven, tested ones. Our consultants use unique research techniques and advanced market research tools to transform complex data into easy-to-understand results.

We have base location in the United States and have offices in Ireland and India. In addition to our in-house analyst team, we also have a field analyst team that connects with stakeholders in the value chain to obtain critical information. Join us and discover how our market research skills can strengthen your company's value.

# RESEARCH PROCESS

*Our research is an optimum culmination of secondary and primary research, with the latter playing a major role. We also have an in-house repository and access to a number of external regional and global paid databases to help address specific requirements of our clients. The research process begins with a holistic secondary research, followed by expert interviews. The information gathered is then comprehensively analyzed by our highly experienced in-house research panel*

## Key aspects of the Infor M3 resellers market include:

**1. Expertise and Specialization:** Resellers often specialize in specific industries or verticals, leveraging their expertise to tailor Infor M3 to meet the unique needs of customers within those sectors. Whether it's manufacturing, food and beverage, fashion, or automotive, resellers understand the nuances of each industry and how Infor M3 can address their challenges.

**2. Implementation Services:** Resellers provide implementation services to help organizations deploy Infor M3 efficiently. This includes project management, system configuration, data migration, integration with existing systems, and customization to align with business processes.

**3. Customization and Development:** Infor M3 resellers offer customization and development services to extend the functionality of the ERP system. This could involve creating custom modules, reports, workflows, or interfaces to integrate with other applications in the organization's IT landscape.

**4. Training and Support:** Resellers offer training programs to ensure that end-users have the necessary skills to effectively use Infor M3. Additionally, they provide ongoing support services, including troubleshooting, system maintenance, and upgrades, to ensure the smooth operation of the ERP system.

**1.Value-Added Solutions:** Some resellers develop and offer value-added solutions on top of Infor M3 to address specific industry challenges or enhance the functionality of the ERP system. These solutions may include advanced analytics, mobile applications, e-commerce integrations, or compliance tools.

**1.Global Reach:** Infor M3 resellers operate globally, serving customers across different regions and countries. They often have a network of partners and consultants with local expertise to support multinational organizations with their Infor M3 implementations.

**1.Collaboration with Infor:** Resellers maintain a close relationship with Infor, collaborating on sales, marketing, product development, and customer support initiatives. This partnership allows them to stay updated on the latest product enhancements and industry trends, ensuring they can deliver value to their customers effectively.
