

ORACLE
NETSUITE
Solution Provider

inoday as an accomplished **NetSuite Solution Provider & Partner** caters sterling NetSuite Cloud Computing Solutions for variety of business domains and processes - from NetSuite Business Consulting to NetSuite Support Services.

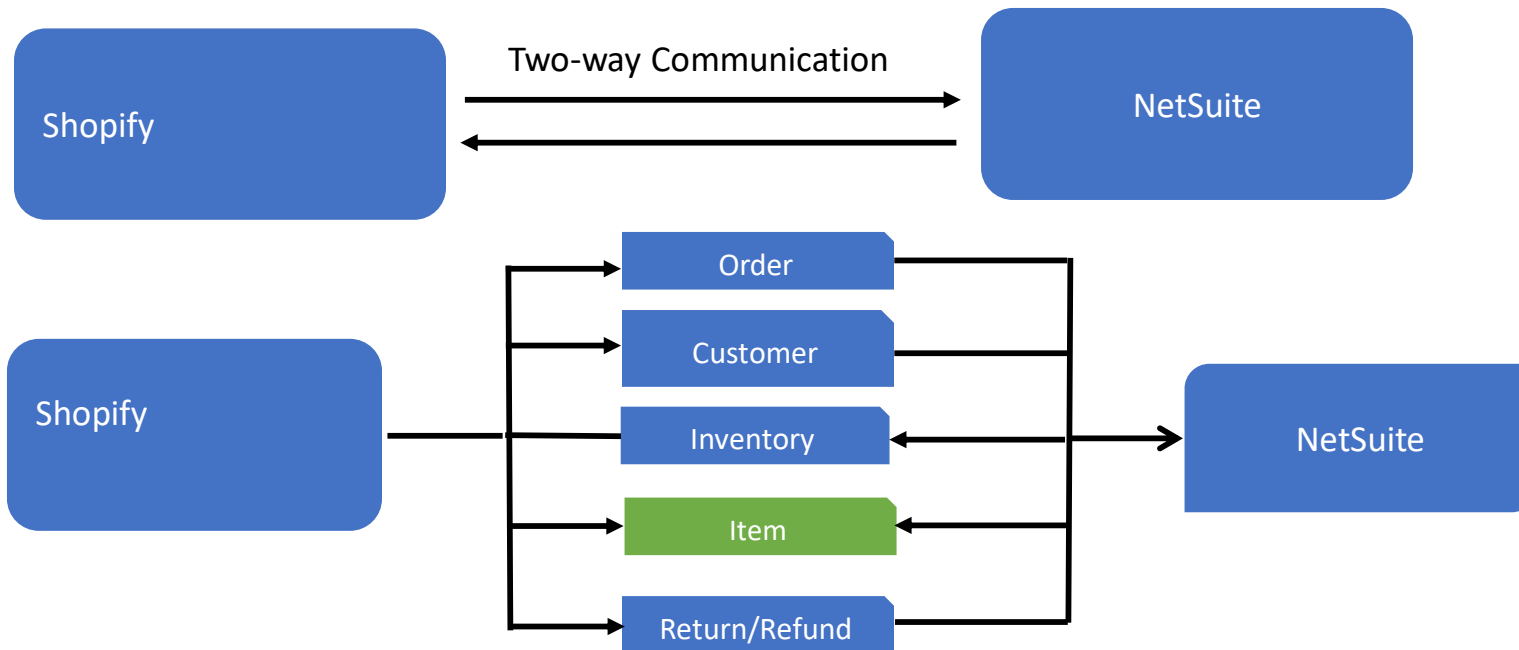

With our coveted services such as NetSuite Implementation, Integration, Customization and Support & Maintenance, we help our customers to grow their business.

NetSuite integration APP

1. Integration Process Flow

inoday Connector Syncs below transactions and masters

- All these synchronization will be almost real-time. Here almost meaning, the latency will be 20/30 Seconds from ecommerce website to NetSuite.
- The payment will be created as customer deposit and later after fulfilment this will get knock-off through the auto generated invoice.
- After fulfilment at NetSuite, the invoice will get auto generated.

#	Particulars	NetSuite	Shopify

The Staub Basil Bundle

SHOPIFY DESCRIPTION

We've made gifting easier with gorgeous bundles by Be Home! Choose from a selection of Be Home's bestselling products, professionally curated by our team of in-house stylists. Each set includes a uniquely themed match-up of exquisite entertaining styles fit for a feast.

- Ethically crafted in small batches.
- Sustainably sourced whenever possible.
- Professionally curated by our team of in-house stylists in Northern California.

Bundle Includes: Staub Round Cocotte, 7qt, Basil, Olive Wood Flipper, Olive Wood Spatula with Holes, Olive Wood Long Spoon.
PLEASE NOTE: Due to the handcrafted nature of our products, appearance may vary slightly. Each of our products is crafted by a pair of hands before making it into yours—making them truly one-of-a-kind.

CARE INSTRUCTIONS: Hand wash with mild soap. Avoid citrus-based detergents or abrasives to preserve unique finish.

ABOUT US

For 15+ years, Be Home has been delivering an eclectic variety of masterfully crafted home goods from around the globe. We are proud to work with family and women-owned artisans and are
