

Seat Selection Policies: JetBlue vs. WestJet

JetBlue and WestJet are popular budget airlines, but they have different approaches to seat selection. Both airlines offer a range of options to choose your seat, from basic economy to premium seats with more legroom and comfort.

JetBlue Seat Selection Policy

1

Even More Space Seats

These seats offer extra legroom and are located in the front of the plane.

2

Exit Row Seats

These seats provide additional legroom and are located near emergency exits.

3

First Row Seats

These seats are located in the front of the cabin and offer extra legroom and storage space.

4

Family Seats

These seats are grouped together to allow families to sit together.

JetBlue Seat Selection Process

1

Booking

You can choose your seat during the booking process or at a later time through JetBlue's website or mobile app.

2

Checking In

You can select your seat during the check-in process or at the airport.

3

At the Airport

If your preferred seat is not available, you can ask a JetBlue agent for assistance at the airport.
