

Know about the Massey Ferguson 7250 DI Powerup

The Massey Ferguson 7250 Powerup is one of the most popular tractors among Indian farmers. The Massey 7250 HP is 50, making it a powerful and fuel-efficient tractor. In the tractor under 50 HP category, it is a popular choice among Indian farmers. Another reason for this model's appeal is its low Massey Ferguson 7250 50 HP pricing. [Massey Ferguson 7250 50 hp price in India](#) ranges from INR 7.74 lakhs to INR 8.22 lakhs.

Engine- The Massey Ferguson 7250 tractor has 50 horsepower and three cylinders. It is driven by a SIMPSONS TIII A SJ327 engine, which guarantees that it emits less pollutants while completing any activity because it meets Trem III A emission requirements. The Massey 7250 engine has a capacity of 2700 cc.

Transmission- The transmission system incorporates a confimesh gearbox, which is a totally constant mesh gearbox that allows for a smoother gear-shifting experience. It has a dual-clutch option that allows the user to manage the engine and PTO separately. This Massey Ferguson tractor type has 8 forward + 2 reverse gear speeds, with the highest forward speed of this Massey Ferguson tractor being 34.87 km/h.

Weight & Dimensions- The Massey 7250 tractor weighs 2045 kg. The weight helps the tractor maintain its balance and grip on the field. This Massey Ferguson tractor has a wheelbase of 1930 mm, a total length of 3545 mm, and a width of 1700 mm. This selected construction gives a broader and more stable foundation for any agricultural operation.
