Must-Have Cold-Weather Jeans and Pants From Democracy Clothing

Now that the warmer temperatures are fading, you've put away the denim capris and Bermuda shorts. So, what's next? Your jeans and other bottoms need to accommodate your cold-weather wardrobe, including your favorite plaid blouses, chunky knit sweaters, and all the [fashion tops women](#) are wearing this season. Democracy Clothing stays one step ahead and always has what you need.

This casual denim lifestyle brand for all women has the latest styles to keep you comfortable, polished, and always confident. Here are some must-have styles from their lineup you're sure to love this season.

Corduroy Bottoms in New Colorways

When the weather cools down, soft corduroy bottoms are the perfect way to stay warm. Has corduroy ever really gone out of style? Maybe not, but Democracy Clothing gives it a modern touch by taking a classic straight leg design and offering it in a great fit with a variety of bold, new colorways. Make a statement in these bottoms constructed with their signature "Ab"solution® fit technology, featuring a sweetheart-shaped back yoke, an inner elastic "no-gap" waistband, and soft-stretch corduroy.

Girlfriend Jean in Black

With the relaxed style of a boyfriend jean but made for a woman's curves, you get the [girlfriend jean](#). Democracy Clothing's girlfriend fit in a black wash is a great addition to your fall and winter denim lineup. Featuring the fit you know and love, these chic black wash jeans are enhanced by subtle fading and whiskering detail for a well-worn look. Roll the cuffs, and you're ready to rock and roll.

Wide Leg Jeans in Grey

Another effortlessly trendy style to keep in your closet is the vintage-inspired wide leg jeans from Democracy Clothing. Even better, get this style in the shade of the season, a faded grey wash. Enjoy relaxed comfort with a wide opening through the legs and Democracy Clothing's signature "no-gap" elastic waistband. These wide leg jeans also feature a sky-rise waist, a sweetheart-shaped yoke, and strategically placed back pockets. Wider hemlines give your legs room for maximum comfort, but these jeans still flatter from the waist down.

Boot Cut with Flattering Fits and Tons of Washes

If you like the look of a relaxed leg opening but want to create the "legs for days" aesthetic, try an on-trend pair of [boot jeans women](#) are wearing this season from Democracy Clothing. The brand's boot cut jeans create a slim fit through the thighs with a slight flare at the bottom of the leg. Discover artisanal denim washes, classic black and grey, and colored bottoms in boot cut styles, some featuring high-rise waists. No matter which boot cut pair you choose, you always get "Ab"solution® fit technology to enhance your natural shape and boost your assets.
