

Omne: Offering the Best Accounting and Business Solutions

Omne is a top-notch firm for personalized accounting and business solutions. Their [accountants in South Africa](#) have a strong reputation in the field. Originating as The Tax House in Eastern Cape, South Africa in 2006, Omne has since grown into a national and international name. Despite their growth, they've maintained a commitment to tailored service for every client. After rebranding in 2021, Omne continues to partner strategically with clients, helping them reach new heights.

Achieving Success with Passion

Omne's leaders, Candice Mullins and Simon White, bring vast experience to the table. Mullins, founder, co-owner, and managing director, is a chartered accountant with deep knowledge in tax accounting and business advisory. Her technical proficiency and dedication to client success make her an impactful leader. Simon White, fellow co-owner and managing director, has honed his attention to detail through work at Deloitte and SA Breweries. His careful focus has been a boon to Omne on multiple occasions.

Inside the Omne Team

Omne's team boasts diverse skills, combining to deliver exceptional service to clients. From senior managers to tax compliance experts, each member contributes unique expertise and commitment. They all play critical roles in delivering personalized service to every client.
