

# **PhD Program in Human Resource Management**

**IIMU**

भारतीय प्रबंध संस्थान उदयपुर  
Indian Institute of Management Udaipur

## About This Program

The PhD Program in Human Resource Management at IIM Udaipur aims to cultivate scholars well-prepared to innovate in both academic and corporate arenas. This rigorous program focuses on the comprehensive study of both theoretical and applied aspects of HRM, equipping students to address complex challenges in the field. At IIM Udaipur, we offer a dynamic environment where students can pursue diverse research interests, guided by our distinguished faculty. Embark on this journey with us to deepen your understanding of human resources in a global context and advance your career.

## IIMU's Research Ecosystem in OBHRM

Faculty with proven research skills from the top research programs in the world offer insights into how to tailor methodological skills to suit the research question at hand. As a department, OBHR at IIMU offers the best set of faculty and students in India that actually focuses on research that matters. As such, this is the best doctoral program if the student's focus is to have a productive and respected academic career in research.

If you are considering the PhD program in OBHRM at IIMU, we recommend reviewing the profiles of our department's faculty to understand their research areas. This will help you check how properly your studies and hobbies align with their expertise.
