**Social media is an amazing way to grow an online brand in leaps and bounds, it simply takes creativity, passion and consistency to keep things moving in the right direction. If you have not yet entered the social media space take the time to start thinking about a plan to enter the space and start building your online community. It is a valuable communication tool with others locally and worldwide, as well as to share, create, and spread information. Regardless of the industry in which you are operating, social media should be an important part of your advertising and public relations strategy. Every business should have some kind of social media marketing platform in place, and it should be engaged on a consistent basis. While Social media was once an iffy area to venture into for many business. Many companies asked themselves whether it was even worth the time and resources or was it really a viable option. Well, that ship has sailed and it has become increasingly important to really push your way through the online social media space.**
