

Synthetic Hair Extensions And Hair Pieces: A Guide For Women

Are Synthetic Hair Extensions And Hair Pieces The Same?

No, **synthetic hair extensions** are a subset of synthetic hairpieces, which also encompass ponytails, clip-on bangs, and more.

What Are The Types Of Synthetic Hair Pieces?

Clip On Synthetic Hair Extensions

Synthetic clip-on hair extensions offer instant volume, length, & coverage with built-in clips, providing a commitment-free enhancement to your natural hair.

Integration Hair Toppers

Integration-cap topper hairpieces, like the **Stunning VersaFiber® Integration Topper Hair Piece by Paula Young®** seamlessly blend with natural hair, adding volume & length with its open-wefted cap design for easy integration.

Filler Extension Set

Hair extensions like **2-Pc. 14" Versafiber® Filler Extension Set by Paula Young®** offers quick transformation with secure attachment via built-in wig clips, ensuring effortless & fabulous looks.

Braided Style Hair Piece

For an instant, polished style, try **Braided Headband Hair Piece with Hair by Paula Young®** featuring attached waves & flexible combs for secure, natural-looking attachment.

Bangs Hair Piece

Experiment with commitment-free bangs **Easy Bang Hair Piece by Paula Young®** crafted with low-maintenance Kanekalon® synthetic fibers for lasting style without fuss.

Is It Safe To Use Synthetic Hair?

Yes, **synthetic hair extensions** and hairpieces undergo rigorous testing to meet high safety standards, ensuring their safety for use.

How Long Do Synthetic Hair Extensions Last?

Salon-quality **synthetic hair extensions** last 3-6 months with minimal upkeep. Follow the manufacturer's care instructions and use wig-specific products for extended longevity.
