

# THE ESSENTIAL FEATURES OF HIGH- QUALITY E-SCOOTER GLOVES

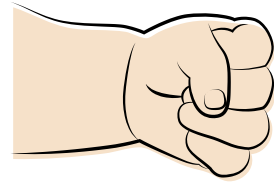

**01**

## IMPACT PROTECTION

Knuckle armor, reinforced palms, and advanced impact-resistant materials to safeguard hands against falls and collisions make E-Scooter Gloves an essential part of your riding gear.

## GRIP AND DEXTERITY

Silicone palm prints, pre-curved fingers, and touchscreen-compatible fingertips for enhanced control and responsiveness.

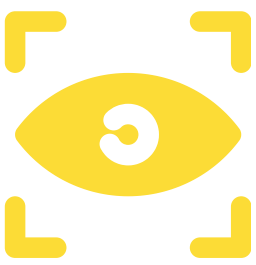

**02****03**

## BREATHABILITY AND VENTILATION

Perforated panels, mesh inserts, and moisture-wicking fabrics to keep hands cool and dry during rides.

## WEATHER RESISTANCE

Water-resistant or waterproof membranes, insulated linings, and durable reinforcements for protection against various weather conditions.

**04****05**

## VISIBILITY AND SAFETY

Reflective accents, high-visibility colors, and secure wrist closures or adjustable straps for increased visibility and a secure fit.
