

## The Secret To Silky & Damage-Free Hair: Use Hair Plus Products!

---

Having damaged hair can be a frustrating and demoralizing experience. It's every girl's dream to have healthy, silky, shiny hair without a hint of damage. But there are many products out there and it's difficult to choose the one for your hair. Many commercial products contain harsh chemicals and ingredients that can further damage your hair. This is why switching to natural ingredients products from Hair Plus could be the solution you have been looking for.

Hair Plus is a brand known for its natural and effective hair care products such as [Cloud Nine Hair Straightener NZ](#) and others. It offers a range of products that cater to various hair concerns, including damaged hair. Let's explore 6 Hair Plus products that are good for repairing damaged hair:

### **FanolaColour**

If you have damaged hair, it's essential to be careful about your hair dye choices. Many commercial hair dyes contain harsh chemicals that can strip the natural oils from your hair and cause severe damage. [Fanola Color](#) is a perfect solution for those looking to dye their hair without causing further damage. It includes natural ingredients that help nourish your hair. These ingredients also help repair any existing damage and prevent future damage.

### **Redken Shampoo**

Shampoo plays a crucial role in maintaining healthy hair. However, many shampoos can strip away natural oils, leaving your hair dry and prone to breakage. The [Redken Shampoo](#) from Hair Plus is formulated with natural ingredients like coconut oil, shea butter, and more that gently cleanse your hair without stripping away its essential oils. It also helps in repairing damaged hair and adds moisture to prevent further damage.

## **Cloud 9 Straightener**

Heat styling tools like straighteners can be damaging to your hair. However, with the Cloud 9 Straightener from Hair Plus, you can achieve smooth and straight hair without causing any harm. This straightener is made with ceramic plates that help reduce heat damage to your hair. They come with an adjustable temperature feature so that it's neither too hot nor cold.

## **Hair Styling Products**

Many commercial hair styling products contain alcohol and other harsh chemicals that can dry out your hair and cause damage. Hair Plus' most of the products contain natural ingredients and are free from harmful chemicals. You can use these hair styling products before using any tools, to reduce the damage they can cause.
