# MAGNIFICENT MONUMENTS TO EXPLORE IN JAIPUR

# Hawa Mahal

Hawa Mahal is constructed with pink and red sandstone. It consists 953 “Jharokhas” or small windows. Watch the Hawa Mahal brilliantly lit up at night or visit during the daytime to find its chambers illuminated with varied colours even as the sunlight streams in through its many coloured glasswork windows.

# Amer Fort

Amber fort got built-in in the sixteenth century by Raja Man Singh. It has two distinct and amazing palaces that lie adjacent to each other. These palaces are called the 'Summer Palace' and the 'Winter Palace' or 'Sheesh Mahal'.

# Jaigarh Fort

It is known as “Cheel Ka Teela” or Hill of Eagles on the Aravalli Range; Jaigarh Fort is yet another example of magnificent historical monuments in Jaipur.

# Jantar Mantar

The Jantar Mantar in Jaipur is an equinoctial sundial and is one of 5 such structures in India; all built by Maharaja Jai Singh II between 1724 and 1735. These Jantar Mantars were built to tabulate astronomical tables and track the sun, the moon and planetary movements.

# City Palace

The City Palace in Jaipur, India, is a historic royal palace complex known for its stunning architecture, courtyards, and museums. It showcases a blend of Rajput, Mughal, and European architectural styles and beautiful gardens, showcasing the rich history of the region.

# Jal Mahal

It is situated in the middle of Man Sagar Lake of Jaipur City. The location of this palace sets it apart from any other historical structure in the city and the Jal Mahal is one of the most admired and famous monuments of Jaipur.

# Jagat Shiromani Temple

Jagat Shiromani is the 17th-century temple in Jaipur, dedicated to Lord Krishna. The temple displays a fine art of granite, sandstones, and marbles and its construction boasts a blend of Hindu, Jain, and South Indian styles of architecture making it one of the most visited monuments in Rajasthan.
