

TNT Towing: For That Delicate Or Difficult Wrecking Job!

Have you ever been stuck on the side of the road late at night and don't know what to do? If you live in Lethbridge, Alberta then you should consider TNT Towing for help. TNT Towing provides [24 hour towing service](#) for any type of vehicle in the area. Not only will they tow your car, but they also offer a variety of other services that can help you get back on the road.

- The first is roadside assistance which can include jump starts, tire changes, and lockout services. This is perfect for those times when you've locked your keys in the car or have a flat tire.
- The second type of service is vehicle recovery which involves winching or towing a vehicle out of a difficult spot.
- The third type of service is vehicle transport which can involve transporting or towing a vehicle from one place to another.
- The fourth type of service TNT Towing's [auto wreckers Lethbridge Alberta](#) involves wrecking a vehicle that is not road worthy or damaged in an accident.
- The fifth and final service is vehicle disposal which involves disposing of a vehicle in an environmentally friendly way.

Necessary machinery and equipment available

Not only does TNT Towing provide these services, but they also have the machinery and equipment necessary to do so. This includes tow trucks, flatbeds, and other heavy-duty vehicles that are used for towing and transporting vehicles. For vehicle recovery purposes, TNT Towing utilizes the latest winching technologies such as winches, straps, and pulleys to safely move vehicles from difficult spots.

In addition to the machinery that TNT Towing uses, they also have other equipment necessary for their services.

- This includes necessary tools like jack stands, ratchets, wrenches, and so on.
- They also have safety gear like fire extinguishers, first aid kits, and reflective triangles that are used in case of emergencies on the side of the road.

- Finally, they use high visibility reflective clothing so that drivers can easily spot them when they are doing their jobs in low light conditions.

Conclusion

At TNT Towing, they provide 24-hour towing services as well as a variety of other services that can help you get back on the road. They have the machinery and equipment necessary for [Lethbridge auto wreckers](#) including trucks, flatbeds, winches, tools, and safety gear. So if you find yourself stuck on the side of the road late at night, don't hesitate to call TNT Towing for help.
