

Miracle Botanicals Essential Oils

# Top 3 Hydrosols to Revitalize Dry Skin

[WWW.MIRACLEBOTANICALS.COM](http://WWW.MIRACLEBOTANICALS.COM)

# 1. Rose hydrosol

Rose hydrosol is celebrated for its hydrating and balancing properties, making it ideal for dry and sensitive skin types. Derived from fresh rose petals during the steam distillation process, this floral water retains the essence of roses, including their soothing and anti-inflammatory benefits.

# 2. Lavender Hydrosol

Lavender hydrosol is renowned for its soothing and balancing properties, making it beneficial for all skin types, including dry and irritated skin. Extracted from lavender flowers through steam distillation, this floral water offers a calming aroma and therapeutic benefits for the skin, making it an excellent choice for hydrating and calming **hydrosol for dry skin.**

# 3. Chamomile Hydrosol

1.

- Soothing Hydration: Chamomile hydrosol provides deep hydration to dry skin, relieving tightness and discomfort.

2.

- Anti-Inflammatory: It helps reduce inflammation and calm skin conditions such as eczema and rosacea, which can worsen dryness.

3.

- Antioxidant Protection: Rich in antioxidants, chamomile hydrosol protects the skin from oxidative stress and premature aging.
