What is a Visitor Visa?

A visitor visa allows travelers to visit a foreign country and stay there for a specific time. Visitors' visas are time-bounded and come with some limitations.

Most visitor's visas don't allow you to work and study in the country. Visitor visas are mostly valid for up to 6 months but if you wish to stay for longer then you may have to go through a validity extension process by understanding the complete eligibility requirements

Benefits of a Visitor Visa

1. A visitor visa is a good option if you don't have plans to stay abroad for a longer time.
2. A great chance to learn, explore new places, and know about different cultures.
3. A good chance to learn a new language.
4. You can enjoy a new lifestyle and different country foods.
5. A good opportunity to know about different industries and jobs while being in the country.
6. You can build a network through your family/friends there.
7. A visitor visa is a good option for people who want to visit their family members and meet with their friends.
