

Why Emmy's Organics Has the Perfect Snacks for Your College Visit

# Why Emmy's Organics Has the Perfect Snacks for Your College Visit

---

Sometime between the spring of your junior year of high school and the spring of your senior year, you might decide which college, university, or trade school to attend. There will be plenty of trips to visit your top schools, which means flights, short drives, and even long road trips. So, you have to have good snacks, and Emmy's Organics has the best ones to satisfy your sweet tooth and keep you fueled.

## Lots of Options

Emmy's Organics offers a wide variety of treats anyone can enjoy. While their popular [Chocolate Chip Coconut Cookies](#) and other coconut cookie flavors are probably the most popular, the options don't end there. Emmy's Organics also offers Brownie Snaps and Coconut Crunch'Ems. If you want to prep beforehand, you can make a batch of their brownies or blondies. Oh! And did we mention that they're all gluten free? They are. Everything from Emmy's is gluten and dairy-free—and delicious.

## Easy to Transport

Emmy's Organics' coconut cookies are perfect for trips because the treats are in easy-to-carry bags. Pack them in a backpack and bring out a [Dark Cacao cookie](#) as you tour a campus. Keep the Coconut Crunch'Ems in your car's center console if it's not too hot, and bring them out whenever you want to munch on something tasty. Stock up on three-packs of your favorite flavor and stash some in a fanny pack for a welcome party or a walk around the city.

## Super Sharable

Want to bring friends on your college trip? Share a bag of goodies from Emmy's Organics. Want to bond with your parent on the road? Bring out Emmy's. Need an easy way to make new

friends? Emmy's Organics can help with that, too. The super shareable bags of sweets are perfect for passing around with friends, family, and anyone you meet.

### **Really Delicious**

On top of everything else, Emmy's Organics' treats are truly delicious. The sweet little cookies, Coconut Crunch'Ems, and Brownie Snaps are perfect for snacking and dessert, so you can enjoy a [chocolate coconut cookie](#) whenever for whatever reason. With wholesome, great-tasting ingredients like coconut, almond flour, agave, and vanilla, sweets free of refined sugar, gluten, and dairy will become a fast favorite for everyone before, during, and after college trips.

When you're getting ready for a big adventure like furthering your education through college, university, or trade school, Emmy's Organics will help fuel your body and your mind. Whether it's a college visit, a summer trip, or a major study session, make sure you have a bag of Emmy's Organics around to feed your soul and your stomach. With wholesome ingredients and fantastic flavors, Emmy's makes it easy to stay on task and look forward to the future (Where there may be even more cookies and treats!).
