Wide Legs and Relaxed Fits Are In—Try These On-Trend Styles From Democracy Clothing

When it comes to jeans, Democracy Clothing knows how to design a stylish silhouette. This casual denim lifestyle brand offers a variety of high-quality jeans to ensure that every woman can enjoy denim styles that fit and flatter her shape and fashion sense. While you can always slip into your favorite joggling jeans or skinny jeans, Democracy Clothing also offers more relaxed fits with their signature “Ab”solution® fit technology, including [wide leg cargo pants](#) [women](#) love. Here’s how to add trending wide leg and relaxed bottoms to your wardrobe.

Wear Wide Leg Looks for Chic Comfort

Wide leg pants are in right now, and you can make them work for you regardless of your shape with the variety of silhouettes from Democracy Clothing. They have both cargo and standard looks with a wider silhouette. The brand’s super-stretch denim is a feature you don’t see often in wide leg bottoms, helping them enhance your curves and flatter your figure. The “no-gap” waistband is made with hidden elastic, so these jeans stay fitted yet comfortable about the waist. The tummy-smoothing mesh panels also help you feel more confident in how your jeans fit. Plus, Democracy Clothing offers wide leg [jeans for tall women](#), so, no matter what size you’re looking for, you can find it in their collection.

Try Girlfriend Jeans as an Everyday Go-To

If you want to stay comfortable and casual but still wear cute jeans, look no further than Democracy Clothing’s girlfriend jeans. These jeans are fitted through the hip and become more relaxed in the mid-thigh down to the ankle. This silhouette also has their signature “Ab”solution® fit technology with a “no-gap” waistband and a “booty lift” effect thanks to the

sweetheart-shaped back yoke. Girlfriend jeans look stylish with a cuff at the bottom no matter which wash you choose, which makes them easy to dress down with a pair of sneakers or dress up with some flats and a blazer. Whether you're running errands or meeting up with your book club, girlfriend jeans are the perfect do-it-all choice.

Grab Cropped Flares for a Coffee Shop Look

Give your wardrobe more spring vibes with [colored jeans](#) like the cropped flare silhouette from Democracy Clothing. These are perfect for those mild days when you only need a light jacket, and they look stylish with many different kinds of shoes. When the weather starts to warm up, a pair of colored jeans can really shake up your daily attire. Wear them to the coffee shop to enjoy your favorite drink and get some work done, or put them on for one of the first backyard BBQs of the season.
